

Teacher for Students with Visual Impairments Position Announcement

[Earlywood Educational Services](#) is pleased to announce an opening with our fantastic team beginning August 2020. Earlywood is a special education cooperative serving six school districts just south of Indianapolis. We're adding a second VI Teacher to our team. Our number of students needing educational support because of a visual impairment has grown. Splitting the caseload for our VI Teacher will allow us to continue to provide exceptional service and access to education for our students with visual impairments. This is an itinerant position with a caseload of approximately twenty students.

Salary & benefits are competitive with the surrounding area & commensurate with experience. The contract is for 184 days. Our teachers are well-supported with technology, materials & resources, professional networks, and cooperative partnerships with our member school teachers and administrators. All Earlywood teachers are equipped with a unique login to [Goalbook](#), a web-based platform that is steeped with evidence-based resources. We also offer our employees the option of [professional flex days](#).

Certification: A valid teaching license from the State of Indiana through the Department of Education Division of Professional Standards. Licensing Area: Blind and Low Vision.

Interested, but don't have your VI license yet? Add it! We are willing to hire a professional who is committed to enrolling in and completing a VI Licensure program such as the (mostly) [online program through Indiana State University](#). To enroll in this program, the applicant must already hold a general or special education teaching license through the Indiana Department of Education.

Interested candidates should complete our [online application process](#).
